

DISTRICT 19 GRAZING PERMITTEE MEETING

Huerfano Chapter

Thursday, March 27, 2025

10:00AM -12:00PM

Do you need assistance in completing your Conservation Plan?

The Conservation Plan is to assist farmers/ranchers in developing a very basic conservation plan for their operation.

Presentation:

Basic Conservation Plan

Learn How to: Identify Natural Resource Concerns

Creating Operational Maps on Soil and Vegetation Report

Developing Management Plans for Livestock, Ranch and Farm

**PRESENTER: Shirley Tolth, Project Specialist
NMSU – Navajo Sustainable Agriculture Program**

Recommended for Grazing Permittees' and Livestock Producers to attend.

If you have any questions, please contact District 19 Land Board Officials

**Veronica D. Pablo-Tso & Daniel Armstrong, Huerfano Chapter
Johnny Russell, Nageezi Chapter**
